How I Fit Pray?

How I fit Talk To God? To de pray na to dey tok to God. Di Bibol na God to de yan wit us. Sabi wetin di Bibol dey teach us abaut preya. *"One day Jesus dey pray for one place. Wen e pray finish, one of en disciples kon tell am, 'Oga God! Make yu tish us how to pray, just as John tish en disciples.'"* Luke 11:1. De pray dat same preya. Bibol dey teach abaut preya wey praise, tanksgivin, konfeshon, and to de ask follow join. Praise dey lift up, dey honor, and dey glorify God, Psalm 34:1-3 *"Alwys dey offa a sakrifice of praise tu God,"* Hebrew 13:15. Tanksgivin na bikos of wetin Im don do. *"E dey good to tank God. Yes! Awa belle dey sweet us wen ever wi dey sing and praiz di Most High God."* Psalm 92:1. To de konfes na bikos of awa sin. *"But if wi konfess awa sin to am, e go forgive us kon wosh evritin wey nor good for God eye komot from awa life, bikos Christ dey always do wetin e sey e go do, since e dey raitious."* 1 John 1:9. De ask God as yu wont bikos Im de tok sey make yu ask Am. *"Make una nor let anytin worry una for mind. Instead, for evry kondishon wey una dey face, make una ask God thru prayer for evritin wey una nid and make una always dey tank am, as una dey pray."* Phillipians 4:6. To de ask God make e meet yur spirishual and physikal needs de for di Oga God preya for Matthew 6:9-13. I tell una true word, dem don already get dia reward, But wen una dey pray, make una go inside room, klose di door and pray to una Papa for sekret. And una Papa wey dey si for sekret, go reward una for pipol present."* Matthew 6:5-6. Preya wey de work no be by wia yu dey wen yu de pray. Na by di kondition of yur heart. Pray for publik. Pray for inside.
